To whom it may concern

Becloudsmart Pty Ltd (Becloudsmart) is an Australian cloud services advisory business providing services to businesses around the world.

We specialise in providing solutions to small and medium businesses so that they are enabled to utilise cutting edge cloud based technologies to run their businesses.

We are Gold Competency Microsoft Partner with expertise in Microsoft 365, Dynamics 365 and Power Platform and Direct Cloud Solution Provider. We also provide advisory services to our clients to ensure the optimized use of cloud software for business processes and performance.

AEGIS Team joined our growing delivery partner network in mid-2019 to provide Functional and Technical expertise for Dynamics 365 Business Central application. Since then we have engaged in multiple projects and pursued various other opportunities with our customers in Australia and around the world.

If you require any further information, please do not hesitate to get in touch.

Yours sincerely
